40. COMMISSIONER & AD HOC REPORTS

C Gutcheck and C Hanson reported on Cascadia Art Museum Gala. The museum received \$320,000 in donations and auction purchases. They have a children's program that introduces art to school children without a school arts program. It might be possible to link with some of Lynnwood's schools.

C White sent a written report that she had posted on multiple social media sites information for the History and Heritage days, something she can do for arts programs too.

50. COUNCIL LIAISON REPORT

C. Sutton shared the following:

- August 26 is Women's Equality Day, observing the passage of the 19th Amendment.
- Love Lynnwood Project - Corbitt Loch's idea of Brightwalks which is Rainbow painting of traffic islands. The project has been given a \$500 Love Lynnwood grant; it is also looking for additional donations, and volunteers to paint. The Arts Commission encourages this project and similar citizen initiative projects in future

60. STAFF REPORT

- UBUNTU celebration on Aug 19, sponsors including the City of Lynnwood.
- Re the Retaining wall on 36 Ave W, there is a budget line of \$30,000 slatted for art. The actual dollar amount art will receive will be based on actual bids. Construction is set for summer of 2018.
- City Center Apts: sculpture pedestal / concrete pad and bolts installed. Sculpture to be mounted in early September.
- LEGO construction is awesome. It will be exhibited at the Lynnwood Library.

- Staff also encouraged commissioners to see the Zhi Lin exhibit at Tacoma Art Museum until Feb 2018. It's about the history of Chinese railroad workers for the western portion of the Transcontinental Railroad.

Next signal box will be at old fire station location on Hwy 99 & 212 – It will feature 1925 fire truck #1 (bought used from Edmonds for \$300 and was first one for Lynnwood) and new fire engine. Need to find graphics artist who also is an artist.
