The Commission is an advisory board of the City of Lynnwood whose duties as set forth in LMC 2.58.020 are to monitor demographic trends in our city and to identify and recommend to the mayor and city council ways to encourage mutual understanding among our citizens about the increasing demographic diversity of our city through, but not limited to:

1. Connecting and partnering with neighborhood, community, educational, business and social service groups and organizations;
2. Sponsoring city-wide, neighborhood and community events, which would include opportunities for heritage and cultural events; and
3. Programs for engaging citizens and community leaders in a holistic approach including dialogue, education, and training about diversity issues.

The mission of the Diversity Commission is to foster an environment of mutual respect and understanding for all people in Lynnwood by connecting, sponsoring, and supporting community building.
