I. PUBLIC HEARING

Item 1: Cingular Wireless Co-Locate Conditional Use Permit (2003CUP0001)

Proposal to extend the height of an existing utility pole, located behind the QFC store at 7500 196th St SW, by 19 feet (from 31 feet to 50 feet) for the purpose of adding a wireless communications antenna and related equipment. The conditional use permit is required because of proximity to residentially zoned property and proximity to an existing wireless communications monopole that is currently used by four other carriers.

The public is invited to attend.

Parking and meeting rooms are accessible for persons with disabilities.
Contact the City at 425-670-6613 with 24 hours advance notice for special accommodations.
