Informal Public Meeting

1. Hall Lake East Subdivision (2005-PLT-0003)

If approved, the application would allow subdivision of two lots totaling approximately 10 acres into 25 lots at the east end of Hall (Halls) Lake. The property is zoned RS-8 (single-family minimum 8,400 sq. ft. lot size) and is designated SF-1 (Single-Family Low-Density) under the Comprehensive Plan. Some lots will be smaller than 8,400 sq. ft. under the lot-size averaging provisions of LMC 21.42.21(C). The proposal will be served by two new public streets which will connect 54th Ave W and 212th St SW. The proposed preliminary plat includes a 1.5 acre wetland and wetland buffer around the edge of the lake, and a 0.5 acre Native Growth Protection Area around a stand of trees at the southeast corner of the property.

The public is invited to attend.

Parking and meeting rooms are accessible for persons with disabilities.
