Public Hearing

1. Yen Single-Family Variance (2010VAR0001)

The applicant (Rolando and Cynthia Yen) proposes to construct a single-family residence on an approximately 5,900 square foot lot in the RS-8 (Low-Density Single Family Residential) zone. The City's zoning code requires that lots within the RS-8 zone have a minimum lot area of 8,400 square feet (LMC 21.42.200). The current lot area is approximately 5,900 square feet. The applicant is requesting a variance to reduce the minimum lot area requirement to the current 5,900 square feet.

NOTE: The following public hearing (2010CUP0001), originally scheduled for this meeting, has been cancelled and will be rescheduled to a future date. The new public hearing date will be re-noticed when it is scheduled. Please contact Gloria Rivera, Senior Planner at 425 670-5409 for additional information.
