Dear Mr. Noack:

Enclosed please find a signed copy of a Joint Interlocal Purchasing Agreement between the cities of Arlington and Lynnwood. The purchasing agreement allows the City of Arlington to purchase a street sweeper through a current bid let by the City of Lynnwood.

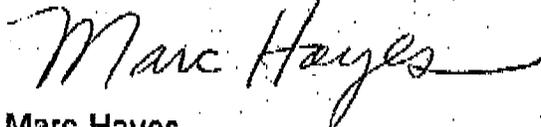

Jim Wright called this morning to let us know that your city council approved the purchasing agreement Monday evening, and that he has misplaced the agreement and required another signed original. He asked that I forward the signed original to you for processing.

Please do not hesitate to contact me at 435-3811 should you have questions.

Thank you for your assistance. We appreciate the opportunity to purchase through your bid.

Sincerely,

CITY OF ARLINGTON

Marc Hayes
