Subject: Interlocal Agreement

Joanne:

Here is the interlocal that I left you a message about. The City of Lynnwood is planning on bidding the recycling services for the disposal of surplus computers. This interlocal will allow you to take advantage of that contract and many others.

I am attaching two versions for you to choose from. The first is a basic interlocal agreement. The second includes interlocal language for using our Shared Small Works Roster program. If you would like to know more about our shared small works roster check out our website at:

<http://www.ci.lynnwood.wa.us/data/smallworks/smworkslookup.asp>

Lynnwood is the lead agency on the small works roster and we have 17 additional agencies that participate in our program.

Let me know if you have any questions are interested in any of our other contracts.
