This document serves as an addendum where the City and the vendor will comply with:

1. Under Federal State & State contracting provisions:

A. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)

Contractors who are awarded contracts of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose any lobbying in non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

B. Certification Regarding Debarment, Suspension and Other Responsibility Matters

The Contractor certifies that none of its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945.

The Contractor is required to comply with 49 CFR 29, Subpart C and must include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into.

By accepting this Contract, the Contractor certifies as follows:

The certification in this clause is a material representation of fact relied upon by the City of Lynnwood. If it is later determined that the Contractor knowingly rendered an erroneous certification, in addition to remedies available to City of Lynnwood, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The Contractor agrees to comply with the requirements of 49 CFR 29, Subpart C while this offer is valid and throughout the period of any Contract that may arise from this Contract. The Contractor further agrees to include a provision requiring such compliance in its lower tier covered transactions.

2. All other terms and conditions remain unchanged
