Lift Station 4: 18119 26th Ave. W; Lift Station 8: 3009 Alderwood Mall Blvd.

SEPA Environmental Review:

The City has reviewed the proposed project for probable adverse environmental impacts and expects to issue a Determination of Nonsignificance (DNS) for this project. The optional DNS process in WAC 197-11-355 is being used. This may be the only opportunity to comment on the environmental impacts of the proposed project. The proposal may include mitigation measures under applicable codes, and the project review process may incorporate or require mitigation measures regardless of whether an EIS is prepared. Agencies, tribes, and the public are encouraged to review and comment on the proposed project and its probable environmental impacts. A copy of the subsequent threshold determination for the proposal may be obtained upon request.

Additional Permits:

Right-of-way use permit.

Comments:

Comments concerning SEPA Environmental Review should be mailed to the City of Lynnwood, Community Development Department, PO Box 5008, Lynnwood, WA 98046 OR delivered to the Permit Center at 4114 198th St SW, Suite 7. Comments must be submitted by 4:00 PM on November 30, 2015.
