# First business at Lynnwood Crossroads opens its doors

LA Fitness, the anchor tenant of the Lynnwood Crossroads shopping complex, opened for business on Thursday, Oct. 17.

Great Clips and Verizon are scheduled to open in early November. Starbucks is preparing to be in business by Thanksgiving. Five Guys and Qdoba plan to be operational by mid-December. Expect The Joint (chiropractor), Yogurtland, Pacific Dental, and Best Sushi to open over the next couple of months. Work will begin on Hop Jack's in late October for an early spring debut.

Most of the exterior work on the site is complete. The parking lots are striped, and the plants are planted. Work is continuing inside the premises, preparing for tenants to individualize their spaces.
