## I LIKE TO MOVE IT, MOVE IT!

We like to move it, move it & get our hearts pumping! This month we are focusing on the body-how it works and what we need to do to keep it healthy.

And don't forget Valentine's Day! We will celebrate in class on Monday, February 13th. See page 2 for more information and a class list.

We will also continue to work on our writing and math skills during small group time. It's amazing to see how much your children have learned so far this year! We are half way to the goal-Graduation is 19 weeks away!

Be sure to mark your calendars for a busy, fun-filled month.

Happy February!

## CHARACTER COUNTS

"Responsibility" is our character word for the month of February. We will learn that being responsible means: doing what we say we will do, being prepared, following rules and taking care of our things. Students will discuss ways we can be responsible in class and at home!

## PARENT VOLUNTEERS OPPORTUNITIES

Here a few ways you can help in class this month:

- 2/13 Sweetheart Party (special sign up sheet in class)
  - 2/27 My body vest
  - 3/1 My body vest
  - 3/3 My body vest
- Sign up at the Parent Resource Table or speak with a teacher!

## FEBRUARY BIRTHDAYS

We would like to wish:

Anika, Brayden & Yasmin B

A VERY VERY Happy Birthday!

"TODAY YOU ARE YOU, THAT IS TRUER THAN TRUE. THERE IS NO ONE ALIVE THAT IS YOUER THAN YOU!"

DR. SEUSS

## KINDERGARTEN REGISTRATION

Mark YOUR calendars... Kindergarten Registration is coming up! Kindergarten Kick-off for 2017-18 is on February 13th. Check online to find out which parent information night you should attend: [www.edmonds.wednet.edu](http://www.edmonds.wednet.edu) Handouts with FAQ's and a list of schools is also available in the parent resource center!

## NEW CLASS PHONE & EMAIL LIST

We have had a few new students join our classes over the past month so that means we need to update our class phone/email lists. Keep an eye out-they're on the way! We will be handing them out in class.

## SWEETHEART PARTY

We will have our Valentine Sweetheart Party on Monday, February 13th. This event includes making a special craft, passing out Valentine cards to our classroom friends, sharing special treats and playing some fun Valentine games! Please send your child with a Valentine card for each of their classmates. You can put your child's name on each card OR if your child chooses to, they can personalize each card with their classmates name. Class lists are below :)

## PARENT TIP

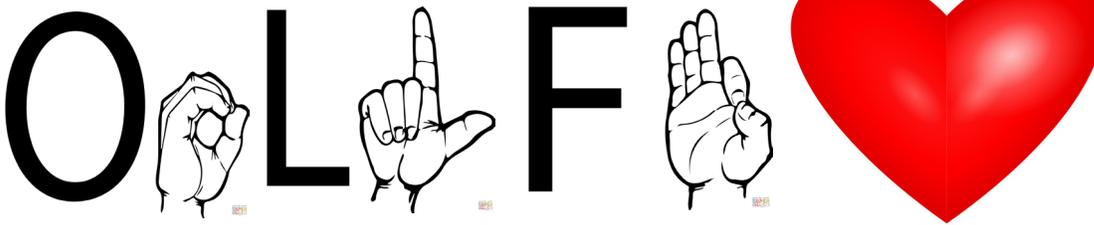

### Sweet Tooth

Holidays seem to always bring along an abundance of CANDY! Here are some ways to help battle the urge to splurge:

- Try cutting back on the pastries, candies, and other sweet desserts this month and find healthier treats to enjoy instead. Maybe that sweet tooth could be satisfied by fruit or yogurt instead of sugar.

## ACADEMIC FOCUS

This month we will focus on the letters O, L, and F as well as the numbers 13 and 14. Our color this month is PINK and the shape is a HEART. Feel free to review these & the ASL signs at home with your child.

## SPOTLIGHT ON CLASS CRASHERS

Want to start working out but have no idea how to find the time? Babysitters getting expensive? Looking for activities for your kids? Become a "class crusher"! Sign your child up for any class with a weight icon next to it in the Lynnwood Recreation Guide and you can pay just \$3 to attend a fitness pass class, use the cardio/weight room, or go for a swim while they are in class.

Simply pay as you go, tell the front desk which class your child is in, pay your \$3, and you are on your way!

## CODE WORD: VALENTINE

- The top secret word for February is VALENTINE! Students that find this code word and tell it to the teachers will get a special prize!

## Homework Packet

Kindergarten is right around the corner! We want your child to be prepared, socially and academically, and succeed as they make this BIG transition! One way you can set them up for success is by working on the monthly Learning Packet at home together. Just a few minutes each day will reinforce fine motor and cognitive skills and build confidence. Need help? Just ask your child's teacher for tips, extra worksheets and ideas about how to get your child excited about learning!
