Indicates Streetscape Element number; see key

Streetscape Type 2 is designated for streets that carry high to moderate volumes of traffic around the edges of the City Center. The intent is to provide beautification of these streets to establish pedestrian-supportive connections throughout the City Center and a comfortable pedestrian walking environment.

NOTE: ***Layout shown is for illustrative purposes only; actual roadway and streetscape design to be approved by the City of Lynnwood. See Appendix B for specific roadway sections including number of travel lanes, on-street parking requirements and multi-modal facilities.***
