RETAIL/PERSONAL SERVICE SUPPLEMENTAL FORM

This supplemental form applies to **retail and personal service uses**. This form must be completed and submitted with your business license application.

You may be asked to produce records such as receipts for disposal services or cleaning services associated with storage of chemicals, flammables, and wastewater pre-treatment activities. Please make certain you keep such records.

In addition to the above considerations involving the type of waste produced by your business, certain City departments need specific storage and processing information in order to be able to approve a building for a specific use. Accurately answering the questions below will facilitate the processing of your business license application.
