

Hello Community Partners,

Paws in the Park is a City of Lynnwood event celebrating our four-legged friends and the bond we share with them. Whether you're a pet-focused business, a veterinarian, or an organization passionate about supporting pets, this event offers something for everyone! This year the City of Lynnwood is hosting Paws in the Park at Lynndale Dog Park from 10:00am-1:00pm

We estimate approximately 75+ participants, providing you with an opportunity to connect and share information on your goods and services. Please bring your own table and chair(s). We encourage you to have an engaging activity, so please keep that in mind as you plan.

Here are a few important details about the day of the event:

1. Table setup will begin at 9:00 am.
2. We encourage all agencies/groups to begin setting up about 45 mins to an hour before the event to guarantee you can find parking and avoid setting up at the last minute.
3. We ask that you stay for the duration of the event and to not break down your booth before 1:00 pm.
4. Parking at our parks is limited. If more than one representative attending from your agency, please carpool.

We appreciate and look forward to your participation.

Paws in the Park

Join us for a tail-wagging extravaganza designed to delight both pets and their humans!

Sunday, July 26 @ Lynndale Dog Park, 7512 Olympic View Drive

10:00am-1:00pm
