Summer is almost here!

In Lynnwood, summer means another year of fun-filled community events!

Check out the list of events throughout the remainder of the year. Follow us on social media or visit www.LynnwoodWA.gov/events for more details on these and other fantastic events.

We can't wait to see you this summer! Mark your calendar now and invite your friends and family to join the celebration!

Message from Mayor George Hurst

Greetings to my fellow Lynnwood residents,

Thank you for taking the time to read these comments. By the time this is published, I will be in my sixth month of having the honor to serve you as your mayor. Over the past 12 years, Lynnwood has been part of my life, either as a City Planning Commissioner or a City Council Member. But I can tell you, being Mayor is the best job I have ever had.

Both the news cycle and social media often concentrate on the negative or more controversial issues in Lynnwood. We have experienced a large budget deficit, but with the collaboration of City Department Directors and the City Council, the large deficit for 2026 has been resolved. The challenge ahead of us is creating a balanced budget for the 2027-2028 biennium. I promise to make this process as open and transparent as possible.

I want to point out some of the exciting things happening in our City. While other cities have seen a slowdown in construction, three schools are soon to be under construction in Lynnwood: the remodeling/replacement of College Place Elementary, College Place Middle, and Alderwood Middle (recently renamed Salish Middle). And the long-awaited Poplar Way Bridge spanning I-5 is now under construction and scheduled to be ready in two years.

But construction is not the only thing happening in Lynnwood. Even with tight budgets, we will have a City Pride Celebration, Cops and Kids at the Alderwood Mall, Juneteenth, Celebrate!, Shakespeare in the Park, Paws in the Park, and an America 250 Pancake Breakfast. Check out the City Website for all the dates and pertinent information.

I am confident about the future of Lynnwood. We have a city staff that is focused on providing the best service for all our residents. And I know you care about our City. In 2025, more than 8,000 volunteer hours were logged by community members who serve on our boards and commissions or by residents who come to the various park cleanup days. Together, we do our best to make Lynnwood a place where all are welcome.

Sincerely,

A handwritten signature in black ink that reads "George Hurst".

Connecting Lynnwood: Poplar Way Bridge

The City of Lynnwood's Poplar Way Bridge Project will construct a new, multimodal, six-lane bridge over Interstate-5 between the intersections of 196th Street SW (State Route 524)/ Poplar Way and 33rd Avenue W/ Alderwood Mall Blvd. Prior studies have identified this project as the highest priority transportation investment needed to reduce congestion and improve traffic flow.

In January, Public Works staff completed the project bid solicitation and review process, and City Council awarded the construction contract to Max J Kuney Company at the January 26, 2026 Council meeting. A notice to proceed (NTP) was approved for March 17th, 2026 and a groundbreaking ceremony was held on April 8, 2026.

To sign up for project updates, or find out more information, visit our website!

City Center Station Farmers Market Targeted for 2027

The City of Lynnwood continues to make progress toward establishing a farmers market at the City Center Station in partnership with Sound Transit. Over the past several months, City staff have worked closely with farmers market experts and a prospective market manager to evaluate the best approach for a successful and sustainable launch. Based on this work, the City is now planning for a summer 2027 opening. This timeline allows adequate time to full plan the market build strong vendor participation and ensure a vibrant experience for the community.

The Lynnwood City Council has demonstrated its commitment to this project by allocating funding from their budget to cover the required damage deposit. This investment reflects the City's long-term vision

for a thriving, community-centered gathering place within City Center.

While the market is being developed, the community can still enjoy local vendors and live music this summer at the Summer Sounds Concert and Market series at The District near the Lynnwood Event Center. This event will take place on June 17, July 8, and July 29 from 2-8 p.m. Visit thedistrict425.com/events for more information on this market and concert series.

Stay connected by signing up for Lynnwood eNews for future updates including market volunteer opportunities.

Lynnwood Receives \$1.9 Million in Grant Funding for Affordable Housing

Earlier this year, the City of Lynnwood was awarded \$1.9 million in project funding through the Connecting Housing to Infrastructure Program (CHIP) from the Washington State Department of Commerce. This funding includes \$1 million for the 200th Street Senior Housing project and \$900,000 for the Apollo Scriber Lake project. The CHIP program helps local governments encourage the creation of affordable housing by reducing or covering the costs of infrastructure associated with the development.

Rendering of HASCO 200th Street Development

The **200th Street Senior Housing project** is an intergenerational community proposed by the Housing Authority of Snohomish County (HASCO) located at 5710 200th St SW. This project will consist of sixty units within a 4-story building that will house seniors and families.

Rendering of Apollo Scriber Lake Project

The **Apollo Scriber Lake Project** is a 173-unit multi-family affordable housing development proposed by Black Fish Capital, LLC. This project will be located at 5707 and 5723 198th St SW, adjacent to Scriber Lake Park. All units in this development will be affordable and include 1- and 2-bedroom units.

CELEBRATE ♦ LYNNWOOD ♦ ARTS!

Lynnwood Artist Show

City Hall becomes a gallery for local talent! Visit the Lynnwood Artist Show, explore a variety of artwork, and vote for your favorite. Two \$200 “People’s Choice” Awards will be announced at the Meet the Artist reception on June 11, 5:30–7:00 p.m.

Soccer Ball Art Project

Experience a colorful welcome at City Hall with more than 20 artist-designed soccer balls on display from June through July, celebrating the FIFA World Cup. This project is supported by the Economic Alliance Snohomish County.

Lynnwood Idol

Lynnwood Idol winners (grades K-5 and 6-12) will perform live at Lynnwood Celebrate on June 26—come cheer on these talented young singers!

Meetings are held in the Council Chambers at City Hall located at 19100 44th Ave W. Council Meetings are streamed live at www.LynnwoodWA.gov/Live.

Council Corner

Reflections from Council President Nick Coelho

I just returned from our Earth Day Celebration at Scriber Lake Park, where dozens of neighborhood volunteers planted trees and cleared invasive brush from our self-styled “urban oasis”. When a community comes together at events like these, we are demonstrating our love for these precious shared spaces.

It got me thinking: Lynnwood needs more places worth caring about.

Where is your favorite place in our city today? Is it a trail you walk in the summer? A cafe you linger at in the fall? A neighborhood street you bike on with your kids? A library, public pool, park? A place of faith or pub? Or maybe something else?

Our city can’t make you like a place, but it can lay the groundwork for those places to exist. It’s not just about vibes. Great places invariably bring people together, and research increasingly shows the immense health benefits of having social connections. Cities with stronger bonds also fare better in hard times. A community that knows itself and cares for itself is stronger in a crisis and more able to shoulder responsibility when needs arise.

It’s for all these reasons that Lynnwood’s City Council is exploring all sorts of place-making strategies over the next year. But we can’t do it alone! From block parties and plazas to farmers markets and food trucks, let us know where connection is happening, what’s getting in the way, and where the potential is hiding in plain sight. You can reach us any time at Council@LynnwoodWA.Gov.

Pay Your Utility Bill the Easy Way. Sign Up for Autopay!

Did you know that you can now pay your utility bill automatically? Skip the trip to City Hall and save the stamp with this easy option. Visit www.lynnwoodwa.gov/autopay to sign up using our step-by-step guide.

Edmonds School District 2026-2027 School Year Registration is Open

Kindergarten and new student enrollment is now open for the 2026-2027 school year in the Edmonds School District! Learn about upcoming enrollment and explore options for school change, choice schools, and language programs at edmonds.wednet.edu/enrollment.

Incoming Kindergarten Families

Children must be 5 years old by August 31, 2026 to enroll in kindergarten for the fall of 2026.

Each elementary school will host tours and/or welcome sessions. Check school calendars for event details. For more information, visit the Kindergarten Information website at <https://bit.ly/ESDkindergarten>.

New Student Enrollment

Families of incoming students to the Edmonds School District may enroll for the 2026-2027 school year now. Students are assigned neighborhood elementary, middle and high schools based on family address. Find out which school is your assigned school on the Neighborhood School Finder website at esdfinder.site.

Jumpstart Your Future At Edmonds College

This fall, don't just start a quarter—start your transformation. At Edmonds College, we believe in your potential to lead, innovate, and inspire. Whether you're pursuing a high-tech career or transferring to a top university, we provide the specific tools you need to succeed.

Enjoy small class sizes, affordable tuition, and a supportive community dedicated to your unique goals. With flexible online and on-campus options, we fit your busy life so you can focus on your dreams. Enroll today and take the first step.
