6. Discussion: Human Services Needs in the Community – **Chair Chris Collier** (45 min)

It’s important to spend enough time in each question for thoughtful discussion. Today we will process as many as time allows and work through any remaining items at upcoming meetings.

 - a. What would you share with the City about new gaps in your healthcare service delivery caused by Covid?
 - b. What should the City know about what worked for you to continue providing service during Covid? How would you build on that to make it better?
 - c. How can the City help to reach the most impacted people to increase equity in healthcare delivery?
 - d. Considering the Social Determinants of Health and related factors (housing, transportation etc.), what do you want the City to know about any icebergs you see ahead?
7. Next Steps – **Chair Chris Collier** (15 min)
 - a. Next Proposed Meeting Date
 - i. Meeting Schedule - frequency
 - ii. 2022 Legislative Agenda
 1. Introduce a legislative agenda as one of the Commission’s priorities
 2. Layout a timeframe
 3. Solicit input from partners
 - b. Invite others to the table
 - i. Share initial partner list
 - ii. Who else should we invite?

Talking Points to Include:

1. Leverage City functions of communication, legislative tools, partnerships, and capacity building
2. Inviting partners to the table to determine how the City can improve the state of health in Lynnwood
3. Continued discussion and partnership to reach mutual goals
