

NOTICE OF APPLICATION AND IMPENDING DECISION
SnoPUD Advanced Metering Infrastructure
(File No. CUP-009979-2022)

Application and Project Description:

On May 25, 2022, Jeff Colon with Public Utility District No. 1 (PUD No.1) applied for a Conditional Use Permit (CUP) to install new Advanced Metering Infrastructure (AMI) system consisting of a monopole and antenna approximately 70 feet tall at an existing PUD No. 1 utility site. The property is zoned Public (P-1).

Location:

The property is located at 7230 Olympic View Drive, Lynnwood, WA (27041700202200)

Required Permits:

This project requires approval of a conditional use permit as well as all associated construction permits.

Comments:

Comments concerning this project should be emailed or mailed to Kirk Rappe at the City of Lynnwood Development and Business Services Department. Comments must be received by Monday, May 11, 2020.

Contact:

The file on this project is maintained in the Development and Business Services Department office at 20816 44th Ave W, Suite 230, Lynnwood, WA 98036 and is available for review.
