Instructions for Applicants

Please read and follow all instructions on your application carefully. If you have any questions about the process or your project, it is strongly recommended that you speak with staff prior to submitting your application to help ensure that processing can advance in a timely manner. Every application must include this cover sheet, the application/checklist and all required items, and a notarized affidavit of ownership (if applicable).

Specific Type of Land Use Application to be submitted (check all that apply):

Project Design Review Application

File Name:

File Number: PDR-009868-2021

Project Design Review is required for multiple-family, commercial, industrial and other nonresidential projects. A Land Use Application for a Project Design Review is deemed complete when it is accompanied by the required items identified below. Please be advised that additional information may be required during the review process in order to respond to or resolve particular issues. No application shall be considered complete if any of the required information is missing. The Community Development Director may approve departures from the guidelines, pursuant to LMC Section 21.25.150, upon written request by the applicant and a finding that the proposal provides equivalent or superior results to the original guideline. The Community Development Director may waive any of these items, pursuant to LMC Section 1.35.015(A), upon written request by the applicant and a finding that the item is not necessary to review the application. Additional copies of certain items will be required later in the process.

REQUIRED ITEMS – ALL MATERIALS SHALL BE ELECTRONIC (PDF) UNLESS OTHERWISE NOTED

- 1. Land Use Application Cover Sheet, with original signature(s).
- 2. A written statement addressing the following decision criteria:
 - A. The project is consistent with the Comprehensive Plan;
 - B. The project is consistent with all applicable provisions of LMC 21.25;
 - C. The project is consistent with the applicable design guidelines found in the Lynnwood Citywide Design Guidelines; and
 - D. For applications which propose the remodeling or expansion of an existing development, the project is consistent with those provisions in the Lynnwood Design Guidelines identified by the Community Development Director as applicable.
- 3. A site plan, drawn to a scale, showing:
 - A. The date, scale, and north arrow;
 - B. Existing boundaries of the site;
 - C. Existing and proposed structures and other improvements;
 - D. The location of proposed open space;
 - E. The location and design of parking for the proposed use;
 - F. Proposed walkways and service areas;
 - G. All existing easements;
 - H. All adjacent roads or other rights-of-way;
 - I. Existing sensitive areas; and
 - J. All structures, natural features and other improvements within 50 feet of the project site.
- 4. Conceptual grading and drainage plan.
- 5. Exterior elevations of all existing and proposed structures.
- 6. A landscaping plan, showing existing and proposed landscaping and fencing, including

- a plant list, caliper size of proposed plants, and species of existing trees.
- 7. A landscape irrigation plan.
 - 8. A landscape maintenance plan.
 - 9. A sign plan.
 - 10. A site lighting plan, including lighting placement, product specifications, lighting levels and all requirements of Chapter 21.17 LMC, Outdoor Lighting Standards.
 - 11. Product specifications for all pedestrian amenities, such as benches.
 - 12. Photographs of the site.
 - 13. Color photographs or digital perspectives of the proposal showing the surrounding context.
 - 14. A colors and materials board showing all proposed colors and materials.
 - 15. A vicinity map, showing the location of the site in relation to nearby streets and properties.
 - 16. A copy of all recorded documents pertaining to the subject property.
 - 17. A summary table of project statistics, including site area, building coverage, coverage by impervious surfaces, required and proposed parking, etc.
 - 18. A list of other permits that are or may be required for the development of the property as known to the applicant at the time of submittal.
 - 19. A list of permits that are to be processed concurrently with this application.
 - 20. If the project is to be developed or occupied in phases, a schedule for each phase.
 - 21. A complete copy of each applicable Design Guidelines checklist.
 - 22. All site and development plans.
 - 23. A completed SEPA application, unless the project is categorically exempt from SEPA review.
 - 24. A complete, notarized Affidavit of Ownership for all property owner(s) of the involved property, with original signatures.
 - 25. Application fee(s).

- NOTES**
1. The approval of a Project Design Review Application does not in any way replace, modify or waive any requirement for the compliance of the proposal with other applicable codes, standards, or regulations including, but not necessarily limited to, those of the Building, Fire or Public Works Departments. You are advised to contact these departments concerning such requirements.
 2. Design plans need to be developed to the point that compliance with decision criteria and guidelines are clearly evident.
 3. Approval expires two years from the date of the final decision unless the applicant begins construction or submits to the city a complete building permit application for the proposed development (LMC 21.25.165). The Community Development Department Director may grant a single one-year extension to this time limit, provided a written request for an extension is received before expiration. The applicant must substantially complete construction for the development approved under Project Design Review and complete the applicable conditions listed in the decision within five years of the date of the final decision (LMC 21.25.165).

4. It is the responsibility of the owners, applicants and agents to become aware of the requirements of Title 21-Zoning of the Lynnwood Municipal Code. It is strongly encouraged that a pre-application conference with the City staff be scheduled prior to submittal of an application.

5. An application may be amended only in writing.

6. *Optional consolidated review:* Per LMC 1.35.080, projects involving two or more land use applications filed at the same time may be "consolidated" upon written request by the applicant at the time of submittal. When applications are consolidated for review, the entire package will proceed using the process involving the highest decision-making authority. For example, for a project involving a Project Design Review application and a Rezone application, both applications would have a final decision issued by City Council. It is strongly recommended that you speak with a staff member about consolidated review so that you are informed of your options and how your applications would be affected.

I/We hereby request consolidated review.

7. Submittal of this application grants the appropriate city officials the right of entry to the project site during a reasonable hour and, upon proper identification, to the building, structure and/or premise, which is directly related to this application.

8. In each application the burden of proof rests with the applicant, petitioner or proponent.

9. Items with any typewritten information must be 10-point font or larger to ensure legibility of scanned documents.

I/We _____, owner(s) of the property
commonly known as _____, do hereby apply for approval of Project Design
Review for the above-referenced property. I/We certify that the information provided in this application, including all
submittals and attachments, is true and correct to the best of my/our knowledge.
