NOTES:

1. The approval of a permit does not in any way replace, modify or waive any requirement for the compliance of the proposal with other applicable codes, standards, or regulations including, but not necessarily limited to, those of the Community Development, Fire or Public Works Departments. You are advised to contact these departments concerning such requirements
2. Submittal of this application grants the appropriate city officials the right of entry to the project site during a reasonable hour and, upon proper identification, to the building, structure and/or premise, which is directly related to this application.
3. It is the responsibility of the owners and applicants to become aware of the requirements of the Lynnwood Municipal Code.
