

LYNNWOOD RECREATION CENTER

Open Swim & Rec Swim Line Policy

Open Swims and Rec Swims are extremely popular. If you would like to attend a swim session, we recommend arriving early.

- Open/Rec Swim line will form outside the main entrance of the Recreation Center (rain or shine).
- There will be two lines formed; one for general admission users and one for annual pass holders.

Annual Pass Holders

- Annual pass holders will be guaranteed admission to the Open/Rec Swim up to 15 minutes into the start of the session.
- Annual pass holders will be allowed to enter the building 15 minutes prior to the start of the Open/Rec Swim. They are allowed to bring one guest and pay for them at that time.

General Admission

- Following the entrance of the annual pass holders, we will begin letting in the general admission line.
- Customer Service staff will hand out tickets for the Open/Rec Swim to the general admission line starting approximately **30 minutes** prior to the swim session start time; tickets will only be given to those who are in line when tickets are distributed.
- You must turn in your ticket to be able to pay for the Open/Rec Swim: you will only be allowed to pay for the number of tickets that you are holding.
- Wristbands will be given to each swimmer to help meet our safety standards and ensure everyone who has paid has access to the pools for our popular public swims, including all Beach, Recreation and Open swims.

Open Swim sessions are limited to 300 participants and Rec Swim sessions are limited to 150 participants. When all tickets are distributed, swims have reached maximum capacity as established by the Washington Health Department and cannot admit any more swimmers. Please call our automated swim line recording for swim session times at 425-670-5588. This line is updated daily. The schedule is subject to change and this is the best way to stay current.
