**ADDRESS:** 5710 – 5720 200<sup>th</sup> Street SW, Lynnwood, WA, 98036

## **PRELIMINARY DRAINAGE REPORT**

Please refer to Civil Engineering sheets S-C300 and S-C400 within the full Plan Set as well as the Preliminary Geotechnical Report (Parts 1 & 2) for information related to the conceptual stormwater management design, including flow control, topography, and site layout. The design information as detailed on the drawing sheets, in conjunction with the Preliminary Geotechnical Report, demonstrates that the proposed stormwater facilities are adequately planned for and can be physically accommodated on the site.
