Welcome

Thank you for your interest in running a tournament at Meadowdale Athletic Complex!

In this packet you will find the necessary information and resources about hosting a tournament at our facility. If you have further questions after reviewing this packet, please contact us at Lynnwood_Rec@LynnwoodWA.gov

Meadowdale Athletic Complex Information:

The complex was originally developed in 1985, on property owned by the Edmonds School District. The City of Lynnwood manages the day to day operations and shares the use of the facility with the Edmonds School District. The complex was renovated in 2017 and includes three (3) softball/baseball fields, as well as two (2) multi-purpose soccer/lacrosse/football/rugby fields. The two multi-purpose fields can be converted into two additional girls fast-pitch or boys (12 and under) baseball fields. For select tournaments, converting those two fields will allow for five fields to be available for play.

Facility Features

- Three (3) lighted softball/baseball fields with turf infield and natural grass outfields
- Two (2) lighted multi-purpose turf fields with lines for soccer, lacrosse, baseball/softball
- Concessions Building - open and fully operational during tournaments
- Restrooms
- Onsite Parking Lot and two (2) overflow lots

Priority Scheduling for the Athletic Complex:

- Lynnwood Parks, Recreation and Cultural Arts activities shall have scheduling priority of facilities owned and operated by City of Lynnwood.
- Historical Offerings: We will try to honor dates requested from the previous year with exceptions of prior year cancellation, poor registration, State, Regional or National Tournament bid approvals and confirmation from sanctioning associations.
- The number of tournament requests that are turned in during the month of November, will also play a deciding factor if all requests from the previous year can be honored.
- We will diversify the use between youth and adults, as well as male & female.

Tournament Request Checklist

- Applicants must be at least 21 years of age to request and sign permits.
- Facility requests need to be received by the Recreation Coordinator by November 16th to be considered for the initial allocation of weekends.
- Permits will be finalized and sent out by December 10th.
- All remaining dates will be available on a first come basis.
- Facility applicants must submit a completed Tournament Request Application listing each specific tournament, along with a valid credit card on file that can be charged after booking.
- Each person or organization requesting fields will receive a permit from Lynnwood Parks and Recreation confirming their tournament dates based off their request. Once the permit is sent, a signed copy must be returned to the Athletics Coordinator and will be placed on file.
- In order to receive a tournament rates, reservations must include a minimum of five hours of continuous play.

- Deliver: 18900 44th Ave W. Lynnwood WA 98036

Saturday/Sunday Start Times

Tournament Directors are encouraged to start their first games at 9:00am. Games may start at 8:00am with the approval of the Athletics Coordinator. All games must be finished no later than 10:15pm, since the field lights are on an automatic shut-off.

Maintenance / Field Dimension Requests

All maintenance and special playing field dimension requirements, will be maintained by the Lynnwood Parks Staff in accordance with pre-arranged schedule submitted by the user on their application, and approved by the Recreation Coordinator.

No maintenance or field prep of any kind may be performed by anyone other than Parks & Recreation Personnel.

Playing in Inclement Weather

If it should rain the day(s) of your tournament, the decision on whether the fields are playable will be based on input from the Tournament Director, Umpires, Parks Staff and/or Athletics Coordinator. The Parks Staff and/or Athletics Coordinator will have the final say regarding field usage. Under NO circumstances are you allowed to set-up bases on the outfield or grass areas. Failure to comply with Department Staff decisions may result in that tournament not being renewed the following year.

Sanction Requirements

All softball/baseball tournament rentals must be sanctioned by a recognized state or national sports association (i.e. USSSA, USA Softball, NSA, CSSA, etc.) and use sanctioned umpires. Exceptions may be granted only by the Athletics Coordinator. A letter of explanation requesting the exception must be turned in when the Tournament Application is submitted.

Liability Insurance

All organizations must provide with their use request, proof of insurance, which covers their full period of use. The insurance must provide a general liability policy of minimum coverage of \$1,000,000. This policy also must name the City of Lynnwood as additionally insured.

Batting/Fielding Warm-up Areas

There are limited batting and fielding warm-up areas which are available based on the game schedules. Teams may warm-up in the outfield foul lines between Fields 3-5, but are asked to move the batting area around so that areas of the turf do not wear on use. Tournament Directors are expected to include this policy in their written rules and are required to assist Parks Staff in the enforcement. Adult softball teams are not to use multipurpose fields 1 and 2 for batting practice (regardless if they're open).

Banners

Banners can be hung on the field fences for their specific tournaments. Alternate locations to hang banners must have City of Lynnwood's approval prior to the tournament.

Souvenir and other Commercial Sales

It is prohibited by State Law and County ordinances to use a public facility for commercial purposes without the advance approval of the Director or designee.

No food or drinks are allowed to be sold at Meadowdale Playfields. There is a privately run concession stand, who are contracted to be open on tournament weekends.
