

#3166 MUNICIPAL COURT COLLECTIONS - ADDENDUM #3

Addendum #3 dated October 18, 2019 is issued to:

A) ANSWER QUESTIONS REGARDING THIS SOLICATION:

1. What is the volume (quantity and dollar amount) assigned for the time payment services per month on average?
 - 8 accounts and \$4,100 monthly average.

2. What is the volume (quantity and dollar amount) assigned to collections per month on average?
 - 1,800 accounts and \$210,000 monthly average.

3. In the RFP (page 13) Section 3.2 Suggested Collection Services No. 1) "Provide time payment services for defendants' that cannot pay their court legal financial obligations in a timely manner" - Are you seeking a vendor to provide time payment services for an account already in the collection process or are the time payment services for pre-collection accounts?
 - We seek a vendor to provide two types of time pay options: 1) Pre-collections time pay and 2) Time pay while in collections to release FTA (hold on driver's license). If the defendant becomes non-compliant with their time pay agreement, the court will re-issue an FTA, which may result in a suspension of the defendant's driver's license.

All other terms and conditions remain unchanged.
