15.6 Classification Changes

Section 1 - Policy

It is the intent of the City to provide current and accurate classification (position) descriptions, and to ensure that all employees are working within the classification for which they were hired. Department Heads are responsible for assuring that the employees in their department are working within his/her proper classification. Employees are responsible for notifying their Department Head when they believe that they are working outside of their assigned job classification. The City Human Resources Department will insure that revisions of classification descriptions will be made as often as is necessary to maintain current and accurate position descriptions. Not all revisions to descriptions result in change of classification of employees. A change in classification is required when there are significant changes to the duties and responsibilities of a classification and is not used to address an increase/decrease in volume of work, or for the exclusive purpose of providing a salary increase.

Section 2 - Procedure

A. Procedure for Evaluating Classifications.

1. An employee may submit a written request on the form provided by Human Resources to the Department Head and Human Resources for a reclassification review of their position; or
2. The employee and Department Head, (or designee), will review the employee's job description as a part of the annual evaluation process. If there are significant changes to the duties and responsibilities of the job, the employee and/or Department Head may submit a written request on the form provided by Human Resources for a reclassification review; or
3. Periodically a Department Head may find the need to significantly change an employee's ongoing job duties and responsibilities. In the event this occurs the employee and/or Department Head may submit a written request on the form provided by Human Resources for a reclassification review.
4. The employee will submit a request for reclassification to the Department Head and provide a copy to the Human Resources Department. The Department Head will provide a written response to the employee within 30 days and may initiate a request for an analysis of a classification change by submitting a written request to the Human Resources Department. A job analysis is conducted to determine whether the request is a significantly different level of duties and responsibilities from the original classification description. Human Resources then makes a recommendation to the Department Head, and to the Mayor for approval. If approved,

an incumbent employee will be moved to the changed classification. The Mayor's decision is final, pending the Council approval of any reclassification.

- B. Evaluation Criteria: The following criteria are examples used in evaluating reclassification requests:
1. Changed duties that may result from additions, expansions, or reductions of responsibilities.
 2. Changed qualifications, required education and training, and/or required licenses or certifications for the position.
 3. Consolidation or reassignment of duties which significantly change the position.

15.7 Final Authority: None of the provisions of section 15.6 are subject to the grievance procedure (Article 18 - Settlement of Disputes).

- 17.3 In the event the Employer preliminarily believes that an employee may be suspended without pay, reduced in pay, demoted or terminated, the Employer will notify in writing the employee and the Union representative of the potential misconduct(s) and/or violation(s). The Employer will hold a pre-disciplinary action meeting (Loudermill Meeting) to provide the employee, with a union representative (Weingarten) present if desired by the employee, an opportunity to respond to the potential misconduct(s) and/or violation(s) within 10 business days of the conclusion of the Employer's initial investigation. Thereafter, the Employer shall make a determination as to what, if any, disciplinary action will be implemented.
- 17.4 At the discretion of the Employer, an employee may be suspended with pay and benefits pending investigation of misconduct(s) and/or violation(s) when the

If such reassignment is not possible, the employee shall be suspended without pay. The employee may elect to take other appropriate leave in lieu of suspension without pay. If an employee's driver's license is revoked or suspended for sixty (60) calendar days or more, then the Employer shall make a reasonable effort to reassign the employee. If such reassignment is not practical the employee shall be immediately discharged.

To verify driver license status, the Employer may require the employee to sign a release of driving record; payment of fee is to be paid by the Employer.

ARTICLE 18 SETTLEMENT OF DISPUTES

- 18.1 The purpose of this grievance procedure is to provide an orderly method for resolving grievances. A reasonable effort shall be made to settle grievances at the lowest possible level in the grievance procedure. The Human Resources Director or his/her designee shall present a written determination to the affected employee and the Union within ten (10) business days of receipt of a timely filed appeal from Step 2. Time limits may be extended by mutual agreement of the parties. Failure to timely file a written appeal shall render the grievance null and void and forever waived.

- F. The arbitrator's decision shall be final and binding.

18.6 Representation of Employees:

- A. The Union is the Exclusive Representative of bargaining unit employees with respect to conditions of employment governed by this agreement. An employee may file a grievance and process it in Step 1 of the grievance procedure without the assistance of the Union; however, departure from the grievance procedure described herein shall automatically nullify the Union's obligation to process the grievance. However, the decision to arbitrate a grievance is a determination to be made by the Union and/or the Employer. Attorneys who do not represent the Union or the City may appear at the grievance meetings and hearings only at the mutual consent of the Union and the City.
- B. Whether or not the employee seeks Union assistance, the Union must be given the opportunity to be present when a settlement offer is made, and any settlement must be consistent with the terms of this Agreement.
- C. The names of stewards will be certified to the City by the Union. Upon notification to the employee's Supervisor of the name of the grievant and the basis of the grievance, or the name of the subject of a disciplinary investigation interview, the steward responsible for the grievant work area may investigate and process the grievance or investigation interview at the work site during working hours without loss of pay, subject to prior approval by the Human Resources Director or his/her designee and further subject to such activity not interfering with the productivity and efficiency of work and services. - B. Access to Personnel File Materials:
1. Employees have the right to review their files. An employee may request removal of certain information in his/her personnel file. If the Employer denies the employee's request to remove the information, employees may file a written rebuttal statement relevant to the specific subject which the Employer refused to remove. Such rebuttal will be placed in their file. However, such rebuttal shall not change the significance of the information already in the personnel file.
 2. An employee or his/her representative, with the written consent of the employee, will be given a copy of materials in the employee's personnel file, provided the representative pays for the time and expense of such copying.
 3. An employee will be given a copy of any statement written for inclusion in the employee's personnel file concerning the employee's conduct or work performance.
- C. Removal of File Materials:
1. Oral reprimands may be memorialized in writing for the purpose of preparing future disciplinary actions or employee performance evaluations but will not be placed in the employee personnel file.
 2. Letters of Reprimand: An employee may request, and the Employer may remove a single written reprimand which is two (2) or more years old. If the Employer refuses to remove the written reprimand, the Employer shall provide written justification for not removing the written reprimand.
 3. If the employee's file contains more than one (1) written reprimand, or where there is one (1) letter imposing discipline which is more severe than a written reprimand on file, none of the letters may be removed until the most recent letter is more than five (5) years old. At that time, it and all previous disciplinary letters will be removed from the employee's personnel file upon request, except in the case of demotions or suspensions without pay for five (5) or more work days. For the purpose of this subsection, "letter"

includes all attachments.

ARTICLE 24 GENERAL PROVISIONS

24.1 No Discrimination:

A. Contractually Prohibited:

1. The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, marital status, race, color, sex, sexual orientation, creed, religion and national origin unless bona fide job-related reasons exist in accordance with applicable laws.
2. The Union shall share equally with the Employer the responsibility for applying the provisions of the Agreement, provided that this responsibility shall be limited to those matters under the Union's influence and control.

B. Employer Complaint Procedure: The Employer will maintain a complaint procedure for allegations of discrimination.

24.2 Workplace Harassment: No employee(s) shall be subjected to, nor shall any employee(s) perpetrate, unwelcome sexual advances, requests for sexual favors or any form of verbal or physical conduct of a sexual nature or based on a protected characteristic that is offensive, hostile or intimidating that interferes with the work performance of such employee(s).

24.3 Agreement, Work Rules and Changes: The Employer will provide new employees a copy of the Agreement and the cost thereof shall be shared between the Employer and the Union. The Employer will provide new employees with an Employee Handbook at the time of hire. The Employer will furnish one copy of the City policies to the Union.

A. The Employer may require an employee to wear a specific uniform, protective clothing, or protective device. Such uniform, protective clothing, or protective device shall be furnished by the Employer. The cost of tailoring, maintenance and repair of the uniform or protective clothing, or device may be paid by the Employer on a case-by-case non-precedent basis. B. Footwear: Subject to prior approval by the Employer, and upon presentation of a receipt, an employee required to wear protective footwear shall be reimbursed up to an amount of three hundred dollars (\$300.00) for such footwear including footwear related accessories (i.e. insoles, toe cups, laces, etc.) up to a maximum of two times per calendar year. Recognizing that the purchase of boots may create a hardship for

some employees, the employer may elect to purchase the boots in lieu of reimbursement

Upon the issuance of any such decision, the parties agree immediately to negotiate a substitute, if possible, for the invalidated Article, section, or portion thereof. All other portions of this Agreement, and the Agreement as a whole, shall continue without interruption for the term hereof.

25.2 Entire Agreement: This Agreement constitutes the sole and entire existing Agreement between the parties. Nothing in this Article shall preclude the parties during the term of this Agreement from voluntarily entering into amendments to the Agreement; nor shall the Union and the Employer be precluded from voluntarily entering into Memoranda of Understanding, Interpretation, or Exception concerning matters of contract administration.

APPENDIX "C"
DRUG AND ALCOHOL TESTING POLICY

1. Purpose: To establish the City's policy on drug and alcohol testing for those employees in the AFSCME Local 3035 Bargaining Unit.

2. Policy: The City of Lynnwood has a significant interest in the health and safety of its employees and the citizens of the City of Lynnwood. In furtherance of that interest, it is the policy of the City of Lynnwood to take those steps necessary to ensure that its employees perform their duties and responsibilities free of the presence of drugs and alcohol. Employees are encouraged to seek confidential counseling on problems associated with alcohol and drug abuse through the Employee Assistance Program when such problems occur. However, participation in such counseling will not prohibit the City from taking disciplinary action for any employee in violation of this policy in accordance with the applicable provisions of the AFSCME Local 3035 labor agreement.

3. Application: This policy applies to all employees covered by the AFSCME Local 3035 Bargaining Unit.

4. Definitions:
 - A. Accident: Accident means (1) any occurrence involving a City vehicle or personal vehicle while on City business on a public road or on City property which results in bodily injury to a person or the motor vehicle incurring damage or both; or any non-vehicular occurrence or incident where an employee injures themselves or others on City property.
 - B. Drugs: For the purposes of this policy, "drugs" refers to all forms of narcotics, depressants, stimulants, analgesics, hallucinogens, and cannabis, whose sale, purchase, transfer, use or possession is prohibited, controlled or restricted by federal and/or state law.
 - C. Medical Review Officer (MRO): The Medical Review Officer is the licensed physician responsible for receiving and interpreting laboratory results from the urine drug tests.
 - D. Substance Abuse Professional (SAP): A Substance Abuse Professional is a licensed physician, or a licensed or certified psychologist, social worker, employee assistance professional, or addiction counselor (certified by the National Association of Alcoholism and Drug Abuse Counselors Certification Commission) with knowledge of and clinical experience in the diagnosis and treatment of alcohol and drug-related disorders. The Substance Abuse Professional is responsible for evaluating employees with positive test results.

5. Prohibited Conduct: The following conduct regarding alcohol and drug use or abuse is prohibited:
 - A. Alcohol Concentration: An employee shall not report for or remain on duty requiring the performance of duties while having an alcohol concentration of 0.02 or greater.
 - B. Alcohol Possession and On Duty Use of Alcohol:

- An employee shall not possess or consume alcohol while on duty.
 - C. Pre-Duty Use of Alcohol: An employee shall not report for work within four hours after consuming alcohol. An on-call employee who consumes alcohol within four hours of being called in must acknowledge the use of alcohol and shall not report for duty.
 - D. Alcohol Use Following an Accident: An employee required to take a post-accident alcohol test shall not use alcohol for eight hours following the accident, or until a post-accident alcohol test is given, whichever comes first.
 - E. Use of Drugs: An employee shall not report for duty or remain on duty when the employee has used a drug or drugs, except when the use is pursuant to instructions of a physician who has advised the employee that the substance does not adversely affect the employee's ability to perform the duties and responsibilities of the job. Employees who are taking a prescription or over-the-counter medication that may impair their ability to perform their duties safely and effectively must provide written notice to their supervisor from their physician or pharmacist regarding the potential effects of such substances.
 - F. Refusal to Submit to a Required Test: An employee shall not refuse to submit to a reasonable suspicion or follow-up alcohol or drug test.
 - G. Positive Drug or Alcohol Test: An employee shall not report for duty or remain on duty if the employee has tested positive for alcohol or drugs. An exception is when the use of such drugs is (1) pursuant to physician instructions; (2) the substance does not adversely affect the employee's ability to perform the duties and responsibilities of the job; and (3) the supervisor has been notified prior to the employee reporting for duty.
 - H. Tampering with a Required Test: An employee shall not tamper with, adulterate, alter, substitute or otherwise obstruct any testing process.
 - I. Possession, Transfer or Sale: No employee shall possess, transfer or sell drugs or alcohol while on City property, in City vehicles or in personal vehicles being used for City business.
6. Testing:
- A. Reasonable Suspicion Testing: In cases in which at least one (1) supervisor, (and another supervisor or employee, if reasonably available under the circumstances) has reasonable suspicion to believe that the employee is adversely affected in any way by controlled substances, the Employer has the right to require the employee to undergo a urine specimen collection or breath alcohol analysis or both. The employee may request to have another employee in the bargaining unit, if available, accompany the employee to the testing site, but not in the room where the test is being administered.

The "reasonable suspicion" guideline the supervisor (and another supervisor or employee, if reasonably available under the circumstances)

should possess is observable abnormal indicators inclusive of but not limited to appearance, behavior, speech, breath odor, attitude or deficiencies in work performance.

All supervisors and Employer representatives designated to determine whether reasonable suspicion exists to require an employee to undergo drug or alcohol testing shall receive training on the physical, behavioral, speech and performance indicators of how to detect reasonable suspicion of alcohol misuse or use of controlled substances. The observations may include the indication of chronic and withdrawal effects of controlled substances. The supervisor must make a written statement of these observations within twenty-four (24) hours of observation. A copy must be provided to a Union officer and the Department Head if an employee is disciplined.

In the event the Employer requires a reasonable suspicion test, the Employer shall provide transportation to and from the testing location.

If removed from duty based on reasonable suspicion of alcohol use and an alcohol test is not administered within eight hours, the employee will not be allowed to perform or continue to perform his or her job until:

1. An alcohol test is administered and the employee's breath alcohol concentration measures no more than 0.00; or
2. Twenty-four (24) hours have elapsed following the determination that there is reasonable suspicion to believe that the employee has violated this policy concerning the use of alcohol.

- B. Return to Duty Testing: Employees who have violated this policy, including those who have tested positive on a drug or alcohol test, and who, under the discipline policy, are allowed to return to work, must test negative prior to being released for duty. A return to duty test following alcohol misuse shall not exceed an alcohol concentration of 0.00.
- C. Follow-up Testing: An employee who is referred for assistance related to alcohol misuse and/or use of drugs is subject to unannounced follow-up testing for a period not to exceed sixty (60) months. The Employer will determine the number and frequency of follow-up testing with input from a Substance Abuse Professional following the employee's return to duty.
- D. Re-Tests: Employees who test positive for drugs may request a second test of the remaining portion of the split sample within seventy-two (72) hours of notification of a positive test result by the Medical Review Officer. The employee shall pay for such testing.
7. Refusal to Take an Alcohol or Drug Test: No employee shall refuse to submit to an alcohol or drug test. A refusal to submit shall include but is not limited to:

- A. Failure to provide adequate breath for testing without a valid medical explanation after the employee has received notice of the requirement for breath testing;
 - B. Failure to provide adequate urine for drug testing without a valid medical explanation after the employee has received notice of the requirement for urine testing;
 - C. Engaging in conduct that obstructs the testing process.
 - D. Refusal to submit to a test shall be considered the same as a positive test result.
8. Confidentiality and Record Retention: Records related to drug and alcohol testing will be maintained in a reasonably secure location with controlled access. These records will be kept separate from records pertaining to other employees.
9. Consequences of Engaging in Prohibited Conduct or Positive Drug or Alcohol Tests:
- A. Positive Test Result and/or Engaging in Prohibited Conduct: If an employee tests positive for drugs or has an alcohol test indicating a breath alcohol level of .02 or greater from a reasonable suspicion or post-accident test or engages in prohibited conduct as outlined in Section 5, the employee will be immediately removed from duties.

Employees testing positive for alcohol or drugs shall be referred to the City's Employee Assistance program (EAP). The City will provide assistance to the extent covered by the City's employee benefit and leave policies. Discipline is a separate determination by the Employer subject to the just cause standard except that progressive discipline shall not be necessary if the Employer believes the misconduct or offense committed during work hours or on City property or in a personal vehicle being used for City business as a result of the use of alcohol or drugs is serious. Employees are subject to discipline up to and including termination if they refuse to submit to either a urine specimen or breath alcohol analysis in accordance with the provisions of this policy. Employees who come forward prior to any drug or alcohol-related incident shall not be subject to suspension without pay or termination for doing so.

Any employee who tests positive for drugs or alcohol may be subject to disciplinary action, up to and including termination, depending upon the circumstances of the situation. Circumstances, which warrant termination, may include, but are not limited to, incidents where the employee's misconduct resulted in serious injury or serious risk of injury to self or others, serious loss or risk of damage to City property, work performance deficiencies the consequences of which could be serious, or any combination thereof.

In cases where termination is not warranted, the employee will not be

permitted to return to work unless they:

1. Has been evaluated by a qualified Substance Abuse Professional through the City's Employee Assistance Program; and
2. Has properly followed any rehabilitation prescribed if recommended by that Substance Abuse Professional; and
3. Has a verified negative result on a return-to-duty alcohol test (0.00) and/or drug test.

If an employee is found by professional evaluation to be chemically dependent, following a violation of this policy that would warrant termination of employment, the Employer may, at its discretion and on a case by case basis, dependent upon the circumstances of the violation, the employees' work record and other relevant factors, and in lieu of termination, allow an employee who enters into and completes a recommended inpatient and/or outpatient treatment program to maintain their employment with the City under the terms of a "last chance agreement," the general terms of which will include:

1. Completion of a bona fide alcohol/drug inpatient or outpatient rehabilitation program approved by the Employer;
2. Participation and completion of an 'aftercare' program as defined by the employee's treatment counselor;
3. Periodic, unannounced, unscheduled drug and alcohol testing by the Employer for a period of 60 months with a minimum of six such unscheduled tests within the first twelve (12) months of returning to work;
4. Acknowledgement that any further violation of either the last chance agreement or of the drug and alcohol policy will be grounds for termination;
5. Acknowledgement that disciplinary action under the last change agreement is not grievable.

Other provisions of the last chance agreement will be determined by the Employer, based on the specific circumstances of the violation, the employee's work record and other circumstances and factors relevant to the Employer's determination that absent the "last chance agreement", the termination of the employee's employment is warranted.

If permitted to remain in employment with the Employer, the employee will submit to a return-to-work drug screen urinalysis and alcohol breath test as prescribed by the Substance Abuse Professional and directed by the City of Lynnwood, with results to the Substance Abuse Professional and the Employer. The test may be an observed collection. This test must be negative before returning to work.

Upon completion of the recommended rehabilitation program and successful return to work, an employee will be subject to follow-up random testing for up to sixty (60) months as directed by the Employer, with a minimum of six such unscheduled tests within the first twelve months of returning to work.

- B. Discipline: An employee will be subject to appropriate disciplinary action based on just cause up to and including termination from employment if:
1. The employee tests positive for a drug or drugs;
 2. Results from an alcohol test indicate a breath alcohol level of 0.02 or greater; and/or
 3. The employee has engaged in prohibited conduct as outlined in Section 5.

In the event that a second positive random drug or alcohol test occurs at any time and is not overturned as a result of a split-sample test, the employee will be terminated.

All employees regardless of disciplinary action taken will be advised of resources available to the employee in evaluating or resolving problems associated with drug use or alcohol misuse.

10. Employee Assistance Program Voluntary Referral: The Employer supports employees who volunteer for treatment of alcohol or drug abuse. Employees are encouraged to seek treatment voluntarily and to utilize the Employee Assistance Program. Any employee who comes forth and notifies the Employer of alcohol or drug abuse problems will be given the assistance extended to employees with any other illness. Any such program, however, shall not interfere with the tests required by this policy. For example, an employee cannot identify himself/herself as unfit to work or drive after having been notified of a random or reasonable suspicion test and avoid the consequences for a positive test or a refusal to test. In addition, voluntarily seeking assistance does not excuse any failure to comply with all the provisions of this policy or other policies of the Employer.

Sick leave, vacation leave, then leave of absence without pay may be granted for treatment and rehabilitation as in other illnesses. Insurance coverage for treatment will be provided to the extent of individual coverage. Reasonable confidentiality of information will be exercised.

APPENDIX "D"

EMPLOYEE DEVELOPMENT, TRAINING AND EDUCATION

1. Purpose: To establish the City's Training and Education policy for those employees in the AFSCME Local 3035 Bargaining Unit.
2. Policy: The City encourages employee development and continuing education to improve work performance, upgrade present employee skill levels and to develop new skills by providing reimbursement for eligible employees for expenses incurred in job-related continuing education. Annual performance reviews shall address the training needs of the individual employee and provide a plan for training that will support the employee's growth and enhancement of his/her overall work performance. In all instances in which funding or reimbursement is sought for an employee's costs, fees, and expenses for a particular class, course, seminar, or other educational or training program, such participation and reimbursement must be approved in advance by the employee's supervisor, Department Director, and the Mayor.
3. Conditions:
 - A. All City-sponsored or funded training or educational programs are subject to management discretion, City staffing needs, and the availability of budgeted funds.
 - B. Employees receiving educational benefits or payments from some other source, such as VA benefits, may apply to receive reimbursement for any eligible expenditure not otherwise covered. In no circumstances, will the City provide reimbursement, which amounts to more than 100% of the eligible costs of the program.
 - C. Employees eligible for tuition reimbursement for college courses must be regular full- or regular part-time employees, who have completed their probationary periods.
4. Types of Training:
 - A. City-Initiated training: A Supervisor may require an employee to participate in a seminar or educational program when participation in the program is essential for business operations or when it is deemed by the Supervisor that such training is essential to aid the employee in the performance of job duties. These training sessions may be held either off- site or in-house. Such training must be approved in advance by the Department Director. Training sponsored by the City does not require Mayoral approval. All other training must be approved by the Mayor before registration is made. An employee participating in training required by the City will receive regular pay for the training activity and be eligible for reimbursement of normal business travel expenses if applicable. The City will also pay the cost for the training.
 - B. Employee Requested Training: Employees may request the City to pay for their attendance at special classes or seminars offered by area

colleges, business schools, professional organizations, consulting firms and private business. An employee wishing to take a class, seminar, or course, which is not for college credit must complete a "Conference, Seminar and Training Approval " request form. The form must be approved by the employee's supervisor, Department Director and the Mayor prior to enrollment in the class.

Taking formal classroom courses or participating in other self-development activity during non-duty and evening hours is encouraged. However, an employee's participation in an evening or weekend educational program selected by the employee will generally not be considered compensable time unless otherwise approved by the appropriate Department Director and the Mayor. In such cases, salary or travel expenses will generally not be provided. Questions regarding whether attendance should be considered compensable should be referred to the Human Resources Director.

5. Procedure for Requesting Tuition Reimbursement for College Credit:

- A. Tuition reimbursement for job-related college coursework may be approved in certain specific instances. Any college work for which City funds may be requested must first receive an overall plan approval in writing from an employee's Department Director and the Mayor to assure the final outcome is in the interest of the City as well as the employee. If approved, a copy of the approval will be given to the employee, one retained by the supervisor, and one sent to the Human Resources Department.
- B. The City will reimburse the employee for tuition fees including expenses for books and required supplies subject to the following conditions:
 - 1. The course is a prior approved job-related course offered by a nationally- accredited college or university and has been approved in advance as outlined above.
 - 2. The employee must provide documented evidence of costs and successful completion of the course by having attained a course grade of "C" (or equivalent) or better or "Pass" in a pass/fail environment.
 - 3. The employee has completed the course while remaining on the payroll as an active regular full-time or regular part-time employee, who has completed his/her probationary period.
 - 4. The course is considered conventional course work or independent study, as opposed to credit for "life experience."
- C. All receipts for payments are to be attached to the request for reimbursement.

6. Termination of Employment:

If an employee voluntarily terminates employment within twenty-four (24) months after receipt of tuition reimbursement funding, the employee shall reimburse the City for the amount expended or a prorated portion thereof.

7. Optional Peer and Subordinate Development Process:
- A. A supervisor or employee may develop or identify training needs through a variety of formal and informal sources. Recommendations from other City employees and employees in similar positions at other agencies are often good sources of training and development ideas and recommendations. Optional peer and/or subordinate reviews are offered as a tool for employee development.
 - B. Either the supervisor or the employee may request participation in a peer or subordinate review process as part of employee development. In addition, the Division Director, Department Director, or Mayor may request the peer or subordinate review process. In the event this additional process is used, input will be used solely as a tool for development purposes only.
 - C. The rater and the employee being reviewed may suggest names of subordinates and/or peers to complete the input forms. The peer input process need not be limited to input from employees within the same department. The final list of evaluators would be the result of joint agreement between the rater and the employee being rated.
 - D. If employees of another department are chosen to complete the peer input form, permission from those employees' Department Directors or their designees shall be received prior to the forms being sent out.
 - E. Evaluation forms will be completed and returned to the employee by all employees who wish to give input. Participation is not mandatory. The evaluating employee may elect to sign or not sign the completed form.
 - F. The employee has the sole discretion on how to use the input forms and may provide information to their supervisor or choose not to share it during the first year of this policy's implementation. After that point, the employee will be required to share the data with their supervisor so specific development goals may be considered.
 - G. The City will not permit retaliation against anyone who participates in a peer or subordinate review and development process.

APPENDIX "F" WAIVER OF DUAL COVERAGE

This Appendix is supplemental to the agreement by and between the City of Lynnwood, Washington, hereinafter referred to as the Employer, and the Washington State Council of City and County Employees, Local Union 3035, affiliated with the American Federation of State, County, and Municipal Employees, hereinafter referred to as the Union.

Waiver of Dual Coverage Incentive Program Guidelines

Overview

When an employee has family members (spouse and/or eligible dependents) covered under the City of Lynnwood medical insurance program and when the employee's family members are also covered by another comprehensive health insurance plan provided by an insurance plan other than the City's, the employee is said to have "dual coverage." Under the City's program, non-represented regular full-time employees are now able to waive this dual coverage. This means that they can choose not to have coverage for their eligible family members and will receive a monthly financial incentive. The incentive amount is outlined on the Waiver of Dual Coverage Incentive Pay Schedule. PLEASE NOTE THAT TRICARE ELIGIBLE EMPLOYEES AND FAMILY MEMBERS ARE NOT ELIGIBLE TO PARTICIPATE IN THIS PROGRAM.

Scope/Limitations

- This program is voluntary.
- All employees are required to retain coverage for themselves through the City.
- This program is limited to medical coverage only. Dental, vision and life insurance will remain in effect for all eligible dependents in compliance with AWC Benefits Trust requirements.
- The program is available to employees with a spouse and/or dependents who are covered by both a City of Lynnwood medical insurance plan and another continuous, comprehensive medical insurance plan.
- Nothing in this program prohibits employees from enrolling new family members in the City's medical coverage.
- Employees must sign a waiver that certifies that their spouse and/or dependents have other medical coverage and acknowledge the conditions for re-enrollment on the employee's medical plan.
- Employees must also submit a certification of coverage and attach it to the waiver.

Re-enrollment on the City's medical plan is available:

- During the annual open enrollment period each year with coverage effective date of January 1 the following year.
- Mid-year if an eligible dependent loses their other medical coverage provided there has been no break in coverage between the end of the other insurance coverage and enrolling onto the City medical plan.
- Proof of continuous, comprehensive medical coverage is required for mid-year

re-enrollment.

- Enrollment in the Program will remain in effect until:
- The employee exercises re-enrollment privileges outlined above, or
- The employees' spouse and/or dependents are no longer eligible for City of Lynnwood medical coverage under any circumstance.
- Incentive payments will only be made if there is an actual savings in the premiums the City is paying. (For example, if an employee has three children on the City of Lynnwood medical coverage and they drop one child, there is no change in the premium. Therefore, they would not be eligible for incentive pay.)

Waiver of Dual Coverage Incentive Pay Schedule

Dependent Category	Employee Incentive Per Month	Employee Incentive Per Year
Spouse or First Dependent	\$75.00	\$900.00
Additional Dependent	\$50.00	\$600.00
Additional Dependent	\$50.00	\$600.00

- Maximum incentive amount per month = \$175.00 or \$2,100 per year.
- Incentive amounts are payable monthly as a non-taxable cash benefit.
- Incentive payments will only be made if there is a decrease in the actual premiums the City is paying. (For example, if an employee has three children on the City of Lynnwood medical coverage and they drop one child, there is no change in the premium. Therefore, they would not be eligible for incentive pay.)

The City of Lynnwood retains the right to revoke, modify or cancel this program at any time.
